

# DigiPrint™ High Definition

## features and benefits

- Manufactured on our new, four-color process digital printer with the ability to print photographic quality images with almost ten times the resolution of our current printers.
- Images are permanently dyed directly into a three-dimensional nylon carpet using Perma-Dye™ technology and treated with StainStopper™ for long-term colorfastness.
- An extremely plush carpet pile allows for enhanced detail and clarity for all images.
- Designed for high traffic, indoor applications, DigiPrint HD mats are manufactured with a 100% rubber backing for slip and skid resistance. Certified “high traction” by the National Floor Safety Institute.
- Fully launderable and can be steam cleaned. Rubber backing is guaranteed to lay flat and will not crack or curl.
- Unlimited color options are available. We also offer free color matching for this premium product.
