## Linear Kiosks

Linear Monitor Kiosk is the perfect compliment to a linear back wall display system and a great addition to any display. From literature holders to simple monitor displays incorporating table tops and PC storage, the Linear Kiosk is a versatile addition to any booth space.

## Features and Benefits

-Versatile compatability: PC/Mac, Blu-Ray, Hd-DVD, DVD, Laser Disc, VHS and more* -Monitor mount conforms to the VESA standard, which fits most monitors*
-Monitor and Literature holder height /angle are adjustable for added versatility -Lower counter height is also adjustable (except LN-MK-1)
-Your choice of standard sizes, configurations, and tabletop colors compliment your boot decor -Modular portability makes the unit great on-the-go
-Sturdy aluminum frame constructions and die formed base provide stability
-Standardized kits allow for quick shipping
-Installation tool included

| Display Dimensions |  |
| :---: | :---: |
| LN-MK-1: | Top Wings |
| $86.5^{\prime \prime} \mathrm{t} \times 29.25^{\prime \prime} \mathrm{d} \times 18.5^{\prime \prime} \mathrm{W}$ | Total Size: 11 "w x 42.5"h |
| $2197 \mathrm{~mm} \mathrm{t} \times 743 \mathrm{~mm} \times 470 \mathrm{~mm} \mathrm{w}$ | 279 mm w $\times 100 \mathrm{~mm}$ h Trim Size: $10 \mathrm{w} \times 41.5^{\prime \prime} \mathrm{h}$ |
| LN-MK-2 \& LN-MK-4 | 254mm w 1054 mm h |
| $86.5^{\prime \prime} \mathrm{t} \times 30.75^{\prime \prime} \mathrm{d} \times 23.25^{\prime \prime} \mathrm{w}$ |  |
| $2197 \mathrm{~mm} \mathrm{t} \times 781 \mathrm{~mm} \mathrm{l} \times 591 \mathrm{~mm} \mathrm{w}$ | Bottom Wings |
| LN-MK-3 \& LN-MK-5 | Total Size: $11^{\prime \prime} \mathrm{w} \times 42.5^{\prime \prime} \mathrm{h}$ |
| LN-MK-3 \& LN-MK-5 $86.5^{\prime \prime} t \times 47.5^{\prime \prime} \mathrm{d} \times 23.25^{\prime \prime} \mathrm{w}$ | 279 mm w $\times 1080 \mathrm{~mm}$ h Trim Size: $10^{\prime \prime} \mathrm{w} \times 41.5^{\prime \prime} \mathrm{h}$ |
| $2197 \mathrm{~mm} \mathrm{t} \times 1207 \mathrm{~mm} \mathrm{I} \times 591 \mathrm{~mm} \mathrm{w}$ | 254 mm w x 1054 mm h |
| CPU Table: 18.5 " $\mathrm{d} \times 19.5$ " $\mathrm{w}-6^{\prime \prime} \mathrm{w} \times .5^{\prime \prime} \mathrm{t}$ |  |

## Additional Information

Total Shipping Weight:
LN-MK-1: 62 lbs / 29 kg
LN-MK-2: $78 \mathrm{lbs} / 35.5 \mathrm{~kg}$
LN-MK-3: 98 lbs / 45.5 kg
LN-MK-4: 70 lbs / 32 kg
LN-MK-5: $90 \mathrm{lbs} / 41 \mathrm{~kg}$
Shipping Case Dimensions:
50"I x 28"w x 12"d
1270 mm | $\times 712 \mathrm{~mm}$ w x 305 mm d
Max monitor size: 40"
Max monitor weight: 40 lbs

Ships in OCH case
Graphic Material: 3mm styrene
Printing Process: UV printed
Footprints (do not include monitor)
LN-MK-1: $24^{\prime \prime}$ w x $33^{\prime \prime} \mathrm{d}$
LN-MK-2: $24^{\prime \prime} w \times 32^{\prime \prime} \mathrm{d}$
LN-MK-3: $24^{\prime \prime}$ w $\times 46^{\prime \prime} \mathrm{d}$
LN-MK-4: 24" w x 32" d
LN-MK-5: 24 " $w \times 46^{\prime \prime}$ d

Device compatibility depends on your monitor. PC and Mac require a DVI Cable and DVI to HDMI adapter. No video hardware supplied. The seller, along with any and all third parties, whether associated or non associated, shall be free from liability if damage should occur to your video/audio and/or other hardware not expressly named here within, as well syou and/or anyone else's person due to improper use of this product.

## 16

Please refer to manufacturer's instructions for mounting your monitor. The kiosks have been designed to accomodate monitors no larger than 32 (40lbs). LCD TVs (and/or computers) are not provided.
